“To Ensure Smile on Every Face”

Annual Report 2025-2026

Dr Abraham Sahu

Foreword

“It’s not how much we give, but how much love we put into giving.”

• *by Mother Teresa*

It is with gratitude and humility that I present the Annual Report of *The Full Gospel Trust of India* for the year 2025–26. This year has been a significant chapter in our journey as we continued strengthening communities, expanding our outreach, and advancing our commitment towards justice, dignity, and sustainable development across India.

Throughout the year, TFGTI remained focused on addressing some of the most pressing social challenges through programs aligned with the Sustainable Development Goals (SDGs). Through our Anti-Human Trafficking initiatives, awareness campaigns, survivor support systems, and community interventions, we reached vulnerable children, adolescent girls, women, and youth across multiple states, helping strengthen prevention and protection mechanisms in high-risk communities.

Our education and community development programs continued to empower children from marginalized and slum communities by supporting literacy, school enrolment, parental counselling, and life-skills development. Many girls who once lacked access to education are now confidently pursuing learning opportunities and dreaming of a brighter future.

In the area of health and basic needs, TFGTI expanded access to safe drinking water, hygiene awareness, and emergency community support, especially among underserved populations. Through partnerships with local leaders, NGOs, and institutions, we also strengthened vocational skill-building and livelihood initiatives for vulnerable youth and women.

This year alone, our collective efforts impacted thousands of individuals through awareness programs, counselling sessions, educational support, relief assistance, leadership training, and community outreach activities, contributing directly to SDG goals related to Quality Education, Gender Equality, Clean Water & Sanitation, Decent Work, Reduced Inequalities, and Peace & Justice.

As we reflect on more than two decades of service, we remain deeply thankful to our staff, volunteers, donors, partners, and well-wishers whose unwavering support continues to make this mission possible. Together, we are building stronger communities where every individual, regardless of caste, creed, religion, or background, can live with dignity and hope.

On behalf of the Board of Trustees, I extend my heartfelt appreciation to everyone who has stood alongside us in this journey. May we continue to serve with compassion, integrity, and faith in the years ahead.

Introduction of The Full Gospel Trust

The Full Gospel Trust of India (TFGT India)

The Full Gospel Trust of India is a registered charitable organisation under the Indian Trust Act in India. It was established in 1992 but got itself registered in 1995. It is also registered with the Home Ministry of the Government of India to receive foreign funds under the appropriate FCRA Act and with the Income Tax Department of the Government of India (12A & 80G) and is allotted an FCRA registration number and a Permanent Account Number (PAN). It has never been blacklisted, changed its name, or moved its head office, but has expanded to different state offices. Its priorities and objectives have remained the same.

Rev. Dr. Abraham Sahu is the Founder and President of the organization. He has initiated the work from rubbles and is a highly qualified and experienced person. He is a graduate in the science stream. Thereafter, he pursued his master's in social work and Personnel management. He has served the World Vision of India, an international NGO for 14 years. His responsibilities included initiating, monitoring, and evaluating development programs and human resource issues in the whole of North India. He also has been a consultant to the United Nations Drug Control Program (UNDCP) for 5 South East Asian countries in their New Delhi office. He also holds various honorary positions in other institutions and organizations.

About the Organization

Our Vision

At TFGTI, our vision is simple yet profound:

“To ensure a smile on every face.”

We believe that true development is not only about meeting physical needs but about restoring dignity, fostering hope, and creating opportunities for every individual to flourish.

We strive to build a future where:

- Equal education and empowerment for every child, especially the marginalized. Safe, respected, and empowered lives for women and girls.
- Skilled and value-driven youth contributing positively to society.
- United families and communities built on solidarity and mutual respect.
- Protection of human rights, dignity, and justice for the vulnerable.

‘To ensure smile on every face’

Our Mission & Core Objectives

- 1. Eradicating Poverty & Injustice:** To work alongside communities to eradicate hunger, poverty, and social injustice, whilst actively caring for the earth.
- 2. Empowering Communities:** To serve individuals and families within India’s most marginalised communities, with a dedicated focus on empowerment and fostering local entrepreneurship.
- 3. Supporting Children:** To ensure that children raised in challenging financial circumstances receive an excellent education, sound healthcare, and robust protection of their fundamental human rights.
- 4. Combating Human Trafficking:** To combat human trafficking and empower women, enabling them to lead lives of true dignity.
- 5. Water & Ecosystem Conservation:** To provide clean, safe drinking water to all people across India, particularly those currently deprived of it, whilst conserving and restoring natural ecosystems.
- 6. Education & Employment:** To deliver training and generate sustainable employment opportunities for youth, adults, and women, while providing business loans, educational funding, and scholarships to deserving candidates.
- 7. Strategic Partnerships:** To expand and strengthen networking with NGOs and government organisations (GOs) to maximise our developmental impact across Indian communities.

Objectives

Alignment with Sustainable Development Goals (SDGs)

During the fiscal year 2025–2026, the ongoing activities and achievements of The Full Gospel Trust of India (TFGTI) have remained strongly aligned with the United Nations Sustainable Development Goals (SDGs). Guided by our vision and mission, we have strategically focused on seven key SDGs that directly address the needs of the vulnerable communities we serve.

SDG 13 – Climate Action

The Full Gospel Trust of India continued advancing SDG 13: Climate Action through emergency relief and community support for families affected by severe floods in Punjab and Jammu & Kashmir during the monsoon of 2025.

TFGTI's Contribution Toward Climate Action

- Environmental awareness and education
- Tree plantation and green initiatives
- Water conservation
- Waste management awareness
- Relief Intervention
- Community resilience building
- Youth engagement in environmental stewardship

Floods severely impacted regions including Batala, Ferozepur, and Fazilka in Punjab, and Maitra, Sangaldan, Batote, Kassal, Jindrah, and Krimachi in Jammu & Kashmir, destroying homes, farmland, and essential services. In response, TFGTI immediately mobilized relief teams to support the worst-affected communities, prioritizing women-headed households, elderly persons, persons with disabilities, and families with infants.

Through its relief mission, TFGTI supported 601 families, reaching over 4,500 individuals with dry ration kits, hygiene supplies, meal bags, sanitary pads, blankets, mosquito nets, folding beds, and other essential household items.

<u>Indicator</u>	<u>Achievement</u>
Families receiving food assistance	601 families
Relief kits distributed	2,000 kits (Kits contained dry ration for 15 days, folding bed, mattress, blankets, bedsheets & pillows, utensils.
Communities reached through emergency support	35 communities
Vulnerable households identified and assisted	670 households

These interventions helped restore food security, hygiene, and dignity during a time of crisis, while reaffirming TFGTI's commitment to standing with vulnerable communities during climate-related emergencies and supporting their journey towards recovery and resilience.

The TFGTI Team with the Punjab Flood Victims

In July 2025, small seeds of hope were planted across our centres and schools Akrabad, Jujaharpur, Tuamai, and Suhawali where 190 young saplings found their new home in the earth. From village grounds to schoolyards, children and community members came together, their hands in the soil, their hearts set on nurturing a greener tomorrow. Each sapling stood as a quiet promise: to cleanse the air, to hold the soil, to shelter life, and to remind us that caring for the earth begins with a single gentle act. This plantation drive was more than an activity; it was a shared moment of learning and responsibility, an invitation to protect the nature that protects us. As these saplings grow, so will our collective hope for a healthier, more vibrant, and sustainable future.

17 PARTNERSHIPS FOR THE GOALS

SDG 17 – Partnerships for the Goals

The Full Gospel Trust of India believes that meaningful community transformation is only possible through strong partnerships, collaboration, and collective action. Through strategic alliances with hospitals, government departments, NGOs, foundations, banks, volunteers, and community leaders, TFGTI strengthened its outreach and impact across multiple states.

In collaboration with **Rajiv Gandhi Hospital, Clove Dental Clinic, Delhi State Legal Services Authority, local NGOs, and volunteers**, TFGTI organized a **Free Medical Check-up Camp** benefiting over **150 individuals** through general health, dental, eye, gynaecological, and cancer screening services supported by nearly **20 medical professionals and volunteers**.

Through partnership with the **Sampark Sathi Foundation**, TFGTI conducted:

- A **Mobility Aid Distribution Drive** benefiting **21 individuals** with wheelchairs and walking sticks A **Free**
- **Eye Check-up Camp** reaching **75 beneficiaries**, supported by doctors, volunteers, and healthcare professionals

TFGTI also collaborated with **Tata Steel, JUSCO, JNAC, Gramin Bank officials, and other local stakeholders** to conduct health awareness sessions, dengue prevention programs, cybercrime awareness training for women, and SHG empowerment meetings promoting financial literacy, government schemes, and entrepreneurship opportunities.

In addition, the organization supported vulnerable children through initiatives such as T-shirt distribution drives under Project Hifazat and educational sponsorship support for students like Asther, who is now pursuing her GNM studies in Rishikesh with the generous support of international sponsors from Slovakia.

These collaborations strengthened healthcare access, education, financial awareness, women empowerment, and community resilience, reaffirming TFGTI's commitment to building sustainable partnerships for long-term social impact.

Testimonials

A Story of Strength and Hope in Aligarh, Uttar Pradesh

“Usha Devi and her vegetable shop in Aligarh”

The Full Gospel Trust of India witnessed a remarkable transformation in the life of a widow from Aligarh, Uttar Pradesh, through its SHG and micro-finance initiatives.

After the death of her husband, she was left helpless with her young son and no family support. Struggling to meet daily needs, she had almost lost hope for the future. Through TFGTI’s SHG meetings, awareness programs, and loan support schemes, she gained confidence and financial guidance to start a small vegetable shop.

What began as a small roadside business gradually grew into a stable source of income. Today, she is able to support her son, manage her household independently, and earn respect within her community.

Her journey reflects how awareness, financial support, and community encouragement can empower vulnerable women to rebuild their lives with dignity, confidence, and hope.

A Blessing of Clean Water – Renu Pawar, Sambalpur, Odisha

For years, Renu Pawar from Sambalpur, Odisha, carried the burden of water scarcity on her shoulders. Every day, she and the women of her village had to walk nearly **5 kilometers** to fetch water, often standing in long queues for hours. The nearby pond was dirty and unsafe, yet it was one of the few available sources of water for the community.

No season brought relief. During illness or extreme weather, the struggle became even more painful, and her family often faced severe water scarcity. Much of her life was spent carrying heavy water jars from one place to another just to meet the daily needs of her family of seven.

Through the “**Save Water, Safe Water**” Project of The Full Gospel Trust of India, a new tube well was installed in her village. Today, this single initiative is not only supporting Renu’s family but also providing clean and safe water to **36 families** and benefiting people from **three nearby villages**.

What was once a daily struggle has now become a source of hope, dignity, and relief for the entire community. For Renu and many others, the tube well is more than just a water source — it is a life-changing blessing that has restored health, time, and hope for a better future.

Asther: Redeemed to serve

Asther's story is one of breaking free from the shackles of poverty and stepping into a future filled with hope. In August 2022, the Full Gospel Trust of India (TFGTI) identified her needs and the severe financial hardships faced by her family. From that moment, TFGTI stepped in supporting her education, meeting her special needs, and nurturing her aspirations. With this steadfast support, she went on to complete her 10th and 12th grades with excellent results. Yet, after school, her greatest dream of becoming a nurse to serve the poor and needy seemed to fade under the heavy weight of financial struggle. Poverty threatened to keep her aspirations locked away. But TFGTI, true to its commitment, did not abandon her. Through the generosity of **Mr Ondrej and Mrs Katka Vecan** from the Republic of Slovakia, her sponsors since childhood, Asther's path was cleared. She is now pursuing her General Nursing and Midwifery (GNM) studies at Chinmaya Advanced Research Education, Rishikesh. This life-changing opportunity was made possible by the vision of our Chairman, who built bridges of compassion that crossed continents. Asther's journey shows that when kindness meets opportunity, the chains of poverty can be broken and a once-restricted life can be redeemed to serve others with love and dignity.
